THANK YOU SOUTH SURREY—WHITE ROCK

What an incredible experience the last few months have been. From my election as your Member of Parliament to my appointment as Parliamentary Secretary to the Minister of Fisheries, I've been humbled by the trust and responsibility you have placed in me. I'd like to thank you all so much for this opportunity to represent our home of South Surrey-White Rock in Ottawa.

I chose to run because I saw the unprecedented challenges Canada is facing today, and thanks to you, I am

now in a position to help. Whatever your concerns with the future of our community and our country, I want to hear from you so I can better serve you. My office is open to everyone.

This mailer is one of the ways I hope to help keep you up to date on the work I do for you, whether that's here in South Surrey-White Rock, or representing you on the national stage in Ottawa.
